

**~January Heartland Strategy (Joker) Night~**

**The top name is the host for the month of January.** They will call the other two names to find a time that works for all of them. Play three games. For those who would like to play but aren't signed up, it's not too late. Call Shonna Hector or Sherri DeBoom. If you don't know how to play we have a lot of people willing to teach you. It's a lot of fun and easy to learn. If you have any questions please call Shonna.
